- \$200 to SIDELINE
- \$200 to pay for shirtzooka shirts

ROCKET FOOTBALL CHEER

The high school team will now play host and mentor to the rocket football cheer program. We will practice with them once a week when their season begins.

This will not be a weekly weekend requirement as you see on the schedule. You will be able to choose what weekend you will be in charge of coaching the kids.

Example:

Game is Saturday September 10th

You are in charge of running the practice that Wednesday and overseeing /coaching the kids on that game weekend.

This will be done in groups depending on the amount of kids on the squad. So 4-6 hs team members would be in charge of Rocket Football Cheer for a given/assigned week.

This still allows you plan jobs, homework, and other activities accordingly. RFBC assignments will be handled once the youth league football schedule is developed.
